

7 February 1955

MEMORANDUM FOR: Comptroller

THROUGH: Claims Branch, Fiscal Division

SUBJECT: Automobile Accident Claims - [REDACTED] & FOIAb6  
[REDACTED] - Survey Report No. 00697 FOIAb6

1. Transmitted herewith is the accident file and the claims of [REDACTED] (in the amount of \$565.36) and [REDACTED] (in the amount of \$337.82) arising out of an accident on 27 April 1954 at the intersection of [REDACTED].

2. This office has reviewed the claims submitted herewith and concur in the finding of the Property Survey Board that these claims arise from circumstances where the United States Government, if a private individual, would be liable in accordance with the laws of [REDACTED] for the damages incurred by the claimants. You will note that the amount claimed by [REDACTED], \$375.57, is based on an error of addition in the estimate of damages and may properly be allowed in the amount of \$337.82, as is recommended by the Property Survey Board.

3. In answer to an inquiry from [REDACTED] attorney, Mr. E. G. Bulluck, this office has advised Mr. Bulluck that [REDACTED] may expect to receive notice of the final settlement within the next two weeks. This commitment is based on an informal conversation with Claims Branch, Fiscal Division on 3 February where it was ascertained that in a case such as this one, requiring special handling, the voucher could be in the mail approximately three days after receipt of the file by the Claims Branch.

4. Due to security factors not evident in the claim file, it is recommended that final settlement of these two claims be made as expeditiously as possible.
